

COCONUT LEATHER CONDITIONER

Coconut Leather Conditioner

Equinade Coconut Leather Conditioner is a premium leather care product for use on all leather goods. It is deliciously fragranced with coconut oil so that caring for your leather is a pleasurable experience.

Why is Equinade Coconut Leather Conditioner so good to use?

- ✓ Leaves leather feeling luxuriously soft
- ✓ Contains premium quality, natural ingredients
- ✓ Protects leather from the elements and wear
- ✓ Preserves leather to ensure a long, useful life
- ✓ Contains a carefully selected blend of waxes and oils
- ✓ Deliciously fragranced with coconut oil
- ✓ Comes in a convenient 220g tub
- ✓ Great for saddles, bridles, harness, luggage, boots, belts, upholstery, car interiors and all fine leather products

For Best Results...

Clean leather with Equinade Leather Soap, then apply Equinade Coconut Leather Conditioner with a soft cloth. Allow the conditioner to penetrate, then buff with a clean, soft cloth for a perfect finish.

Available from your local produce or equestrian store along with other Equinade products.
