

Hoof Lube

Now with **Eucalyptus Oil** - nature's antiseptic!

Equinade Hoof Lube is a premium quality hoof oil which contains 100% natural healing ingredients. It is an easy to use, brush on lubricant which has been designed to assist in the growth of healthy hooves.

How can Equinade Hoof Lube help your horse's hooves?

- ✓ Made from the finest natural ingredients which are completely safe for you and your horse to use
- ✓ Contains natural healing oils, animal fats and lanolin which have an excellent ability to maintain a healthy hoof moisture balance in dry and wet conditions
- ✓ Helps to prevent splitting, chipping, cracking and contraction by nourishing hooves and giving them flexibility
- ✓ Contains Eucalyptus Oil and Stockholm Tar which are natural antiseptics to help aid in the control of bacterial diseases in hooves, including thrush, greasy heel, mud fever and seedy toe
- ✓ Does not contain artificial colouring, fragrance or chemicals

Regular use of **Equinade Hoof Lube** will help to produce and maintain a healthy hoof. This lubricant formula is easy to use in cooler weather than a solid dressing and is simply applied with a soft brush. When applying, pay particular attention to the coronet band and hoof wall.

For preventative hoof care, Equinade recommends that regular veterinary checks be made to prevent hoof deterioration. Available in a new refillable 500ml tin with brush, 1 litre, 2.5 litres, 5 litres, 10 litres and 20 litres from your local produce or equestrian stores.
