

Hoof Lube-Black

Equinade Hoof Lube - Black is a premium quality hoof oil which contains natural healing ingredients and also black colouring for a winning presentation.

Why is Equinade Hoof Lube - Black so good to use?

- ✓ It is made from the finest natural ingredients
- ✓ Contains natural healing oils, animal fats and lanolin which have an excellent ability to maintain a healthy hoof moisture balance in dry and wet conditions
- ✓ Helps to prevent splitting, chipping and contraction by nourishing hooves and giving them flexibility
- ✓ Contains Eucalyptus Oil and Stockholm Tar which are natural antiseptics to help aid in the control of bacterial diseases in hooves, including thrush, greasy heel, mud fever and seedy toe
- ✓ Contains a high-gloss, durable black colouring for special presentations and show days

When applying, clip the hair back from the top of the hoof line and ensure the hoof is clean and dry.

Available in a 500ml tin with a handy brush-cap included. You won't get caught out on show day without a brush! Available from your local produce or equestrian stores - simply ask for it in store.
